

**RSVP to join us** and **Dr. Sitaramesh Emani**, Interventional Cardiology/Advanced Heart Failure & Transplant at OSUWMC, who is speaking on:

**"Heart Failure: New  
Treatments and Developments"**

Bring your questions about HF and the new developments impacting patients' lives. Also, a special guest will talk about his success story as an LVAD recipient, cancer survivor, and heart transplant recipient.

**Thursday, March 14, 2019**

**6:00 pm - 8:00 pm in the Ross Heart Hospital Auditorium,  
OSU Wexner Medical Center, 452 West 10th Avenue, Columbus, OH 43210**  
(Light meal provided and a parking pass for the attached Safe Auto garage)

**Dr. Sitaramesh Emani, MD** is the former Director of Heart Failure Clinical Research and a member of both the Advanced Heart Failure & Cardiac Transplant and Interventional Cardiology teams at the OSU Wexner Medical Center. Dr. Emani earned his medical degree from The Ohio State University College of Medicine and completed his residency in internal medicine at Washington University's Barnes-Jewish Hospital. He then completed fellowships at OSU University Hospital in Cardiovascular Disease and Advanced Heart Failure and Cardiac Transplantation. He is currently completing an additional fellowship in Interventional Cardiology.

**Dr. Emani's clinical and research interests include:** Device therapy for the treatment of heart failure, mechanical circulatory support, remote hemodynamic monitoring, and cardiogenic shock.

Dr. Emani is board certified in Internal Medicine, Cardiology, and Advanced Heart Failure and Transplant Cardiology. He has published many papers in this field.

**RSVP** to Jeff Davidson at (614) 580-1561 or [jadavidson@columbus.rr.com](mailto:jadavidson@columbus.rr.com)

Healing Hearts members seek to inspire, comfort and support heart patients, their families, and people at risk for heart disease, throughout central Ohio. Since March 2011, our group has grown to over 300 members and made over 9,000 patient visits at the Ohio State Ross and University East Hospitals. We share heart success stories, strive to stay healthy long-term, and host educational meetings each month!
