

Heart Education Meetings

**RSVP to join us and Clinical Pharmacists from Ohio State's
Ross Heart Hospital and College of Pharmacy in:**

"An Evening With The Pharmacist"

**(Learn about a pharmacist's role in
patient care and bring your questions)**

You will also meet some inspirational people
with serious heart issues and hear some
uplifting stories!

Thursday, September 13, 2018

**6:00 pm - 8:00 pm in the Ross Heart Hospital Auditorium,
OSU Wexner Medical Center, 452 West 10th Avenue, Columbus, OH 43210**
(Meal provided and a parking pass for the attached Safe Auto garage)

Ross Heart Hospital Clinical Pharmacists will explain the pharmacist's role while you are in the hospital and how they work alongside medical teams—including doctors, nurses, dietitians and respiratory therapists—to insure the medications prescribed to you are safe and effective. The team will answer your questions on medications, drug interactions, new therapies in development, and more. OSU pharmacists also help educate the patient and family about their medications.

To obtain a pharmacist license, all pharmacists attend college for a minimum of 6 years and receive a Doctor of Pharmacy degree. Some pharmacists then obtain an additional one to two years of specialized training in a particular area, such as cardiology or oncology. The pharmacists at the Ross have specialized training in the areas of cardiology/critical care and enable them to practice at the highest level possible.

This is a high attendance meeting, so RSVP early and bring your questions!

RSVP to Jeff Davidson at (614) 580-1561 or jadavidson@columbus.rr.com

Healing Hearts members seek to inspire, comfort and support heart patients and their families and people at risk for heart disease and diabetes. Since March 2011, our central Ohio Chapter group has grown to over 300 members and made over 9,000 heart patient visits at the Ross and University Hospital East. We share heart success stories, strive to stay healthy long-term, and host educational meetings each month!
